Hourly Rate #2	Remove and replace glass unit within the existing frame, service frame, clean opening, reinstall with RTV to bond and seal.	3

Do no operate (drive or adjust jacks) your RV, Motorhome, or Motor Coach for at least 24 hours after service. Work has a 1 year labor warranty, operating your RV, Motor Home, or Motorcoach within the first 24 hour period after service will void this warranty. Most I.G. window units carry a 10 year manufacturer warranty for the seal of the glass unit. No Warranty against stress cracks on windshields. No warranty on glass. Glass is inspected for quality (free of scratches, chips, correct size, and shape) We guarantee size, fit, seal, and functionality of all of the glass we install.
